MAX 150%

- Max 150% is the maximum timeframe and hours a student can take towards their primary degree.
- MAX 150% is determined by multiplying the number of hours in primary major times 150%
- For example, Early Childhood SH needed to graduate is 73. **The maximum hours a student can take is $73 \times 150\% = 110$ SH**
- **Once a student reaches that number, the student is not eligible for financial aid unless an appeal is approved.**
