## Wells Fargo Technical Scholarship Program

### Wells Fargo Technical Scholarship Program Eligibility Criteria

One scholarship per college valued at \$500 each. These scholarships are distributed among the 58 colleges in the community college system, which may be distributed in two payments: fall semester, \$250; and spring semester, \$250.

To qualify as a candidate for these scholarships, a person must meet the following criteria:

1. Be a full-time student enrolled in the second year of a two-year educational/technical program.
2. Demonstrate financial need.
3. Demonstrate scholastic promise.
4. Use the scholarship to pay for tuition, books, and/or transportation.

The recipients of the scholarships will be selected each year from applicants meeting the above criteria at local colleges.

The college shall establish a special committee to select recipient(s) of scholarships. The committee shall be composed of: the chairman of the board of the college or his/her designee, the senior Wells Fargo office executive in the area serving the college or his/her designee, and a leading citizen of the area to be selected by the other two (2) members of the committee who shall not be affiliated with Wells Fargo or the community college system.

In addition, the president of the college or his designee shall serve as an ex officio member of the committee and shall have the responsibility for providing staff assistance and for recommending scholarship candidates to the committee. If there is not a Wells Fargo Bank in the college service area, the established scholarship committee of that college may be used to select the recipient(s).

Applicants will need to complete the general scholarship application and additional information requirements. Submit to the Financial Aid Office.
