

Golden LEAF Two-Year Scholars Program

2021-2022

Eligibility Guidelines and Student Application

Golden LEAF
FOUNDATION
Increasing Economic Opportunity in North Carolina Since 1999

The Golden LEAF Scholars Program – Two-Year Colleges will provide grants of up to \$2,250 annually for curriculum students and up to \$1850 annually for workforce continuing education students. The scholarships help cover the cost of tuition, fees, books, supplies, credentialing tests, transportation, childcare and other components of the total cost of attendance for 2021-2022 fall, spring, and summer semesters.

Student Eligibility Requirements

- Eligible students must (1) be a North Carolina resident, (2) demonstrate financial need and (3) reside in a rural county that is tobacco dependent, or economically distressed, as determined by the Golden LEAF Foundation (please see Qualifying Counties 2021-2022 list below). A scholarship recipient who resides in an eligible county upon initial award will retain eligibility and will be eligible for renewal awards as long as the student's place of residence is within the state of North Carolina.
- Eligible students may receive an award each year. Financial aid offices will determine their application procedures for receiving awards for subsequent terms. Selected students will be required to disclose all financial aid awards as dictated by college financial aid offices for award packaging. Golden LEAF Scholarships will not displace federal grants, e.g. Pell grants, for which the student may be eligible (may displace loan funds).

Curriculum Student Selection Criteria

Eligible students must:

- (1) Be enrolled at least full-time for fall and spring; Summer school students must be enrolled at least 6 credit hours. Grants for less-than-full-time students will be prorated based on hours of enrollment and pending availability of funds
- (2) Demonstrate financial need as determined by the FAFSA.
- (3) Be a resident of North Carolina

***Should a student become ineligible to use any semester's scholarship award, those funds will be awarded to other qualified students within the same institution.

 - Owner of or employed in farming/agriculture business
 - Owner of or employed in traditional industries (such as textile or furniture manufacturing)
 - Household member lost their job or has gone from full-time to part-time employment
- Academic performance
- Campus activities and community service

Scholarship Awarding Format Sample:

Colleges may select students to receive up to \$2,250 in awards annually. For example, if a student receives \$2,250, funds will be awarded up to \$1,000 for the fall, \$1,000 for the spring and \$250 in the summer. The scholarship may be renewed for one year, if the student meets eligibility criteria. If the student fails to enroll, those remaining funds may be awarded to another student. Grants for less-than-full-time students will be prorated based on hours of enrollment and pending availability of funds. For example, if a student is awarded \$2,250 for the fall and spring, but enrolls for only halftime for the spring semester, the award will be prorated for the spring to \$563. The remaining \$562 may be awarded to another student.

Application Process

- The System Office will promote and market the scholarship among the local community colleges to help the students understand and recognize the mission of Golden LEAF. A marketing and publicity plan approved by the Foundation will include the scholarship notification letter sent to each scholar.
- Students will complete the Golden LEAF Scholars Program – Two-year Colleges application for the targeted academic year. Applications will be filed with the college financial aid offices or Workforce Continuing Education departments.
- Timing for the selection process is determined by the award policies and procedures of each college. Financial aid offices will work with Workforce Continuing Education departments to determine the awards periods for those students.
- Applicants bear full responsibility for completing the Golden LEAF application prior to each deadline.
- Financial aid offices will disburse awards and collect media releases forms regarding the scholarship recipients.
- Financial aid offices will provide a list of selected recipients including name, amount, address, counties, email, and use of funds to NCCCS.
