The Financial Aid Office is required by the Department of Education to monitor academic progress. For this reason, your academic transcripts are reviewed each semester to verify that you have met the required percentage of attempted hours (completion rate), maintained the minimum grade point average, and not exceeded the maximum number of cumulative hours allowed (time frame). You may review the SAP Policy in detail on our website under financial aid resources. If you have failed to make progress in one or a combination of these areas, you may appeal.

The deadline to submit the Termination Appeal for Summer 2024 is July 24, 2024, by 5:00 p.m.
